Transfer PATWG Charter Repo to PAT

Currently, the PATWG Charter's Repo is in the PATCG organization.

Seems to fit better in the PAT.

Are there any objections to moving the PATWG Charter's Repo to the PAT?

Transfers PPA-API to PAT

There was a Consensus Call to adopt the PPA-API.

Part of that Consensus Call was to give the PPA-API to the PAT once the PAT was started.

Are there any objections to moving PPA-API to the PAT?
